Chapter Chat

Dear Nawic Members and Guests:

I am very excited to serve with you as your President of the Simi-Conejo #254 Chapter of Nawic.

As with any organization or project ,team collaboration is a must. I call on everyone to join together to make the year 2009-2010 a very successful and memorable one. I am looking forward to meeting many new people as well as learning. As in the past we have had many wonderful events, speakers, and outings. I will try to do the same this year.

Many successful and wonderful speakers have volunteered to come to our meetings, and I know we will benefit from their experiences.

We have been lucky in having Vivian Isaak as our President. She has done an amazing job keeping our chapter going. We also could not have done our wonderful parties with Lisa Herbert, Linda Ashford, Debbie Aronson and Kerry Coverly. Their strengths make our chapter strong. Please feel free to call me with any suggestions on how to make our chapter better.

Thank you.

**Fondly,
Eileen Gould

Look forward to seeing you!

Scholarship

Tickets for the American Express Raffle will be distributed in October. Be sure to get out and sell your share. This is a great opportunity for our chapter to raise our scholarship money this year. We plan to donate two \$500.00 scholarships this year.

Looking Ahead

Our Holiday Party is coming up soon. We need to get those Silent Auction donations going. There will be a letter for you to distribute to your vendors at our October meeting. Be thinking about who you would like to challenge to donate to the Silent Auction and who you would like to bring as a guest. Be sure and bring your gift for exchange – we are going to do something a little different this year.

Annual Planning Conference

It's not too late to attend the Annual Planning Conference (APC). It will be held in San Diego on October 17th and is a one day conference. If you would like to attend this conference please see Debbie Aronson.
